

LEWIS OIL COMPANY
We Deliver Comfort

March 18, 2008

Dear Customers,

Lewis Oil Company has been working hard to help you through this difficult season. We are rolling out a new program to help our customers plan for next season, which will highlight some important changes for all of our customers.

The new program is the "Comfort Club". Similar to a Christmas Club, this program allows you to plan ahead for the next winter heating season. Eligible customers are any customers with a zero or credit balance as of May 1, 2008. Members of the "Comfort Club" can contribute as little as \$100/month, and will receive the following benefits:

- 1) Competitive interest rates are paid to all credit balances (current .49% APR)
- 2) Club members with credit balances receive the new cash discount price of 10 cents per gallon – (Cash Discount).
- 3) Club members who pay monthly by cash or check receive 2 cents per gallon discount – (Club Discount).
- 4) Club members 62 and older receive our new discount, which will be added for all qualifying customers for the 2008/09 season, of an additional 2 cents per gallon – (Senior Discount).

Club members can choose to convert their credit balances toward prepaid contracts during the summer. Club members can request refunds of their credit balances at any time in writing. If a credit balance is refunded, the interest accrued will be forfeited.

Please indicate your choice below and provide your contact information:
